

SHIPPING METHODS IN THE NETHERLANDS

If you place an order at YourDisplayCase which should be delivered on an address (no p.o. box) within the Netherlands your order will be delivered between 1 - 3 working days.

HOME DELIVERY

If you complete an order, the order will be shipped as soon as possible. An e-mail with a tracking link will be send to you when DHL has picked up your order in our warehouse.

Have you missed the delivery person? You'll receive a ticket in the mail box with the new delivery time. If the new delivery time doesn't fit, you can change the date and/or time. With the track & trace code you can follow up your order.

RE-ORDER

Sometimes we will start selling products which we don't have in stock yet. At the product description we mention clearly the date on which we will send the product. Of course, we keep you informed by e-mail about the delivery of your order.

DELIVERY IN AND OUTSIDE EUROPE

YourDisplaycase supplies products worldwide with 'Express delivery'.

1. WITHIN EUROPE

If you complete an order, the order will be shipped as soon as possible. An e-mail with a tracking link will be send to you when the order has picked at our warehouse. With the track & trace code you can follow your oder of course.

2. OUTSIDE EUROPE

Orders completed today, will be shipped the same or next day.

You will receive the order within 3-4 working days.

An e-mail with a tracking link will be send to you when the order has picked up at our warehouse.

Shipping costs

If you order from outside the EU, there is the possibility there will be extra costs due to customs. For further info please contact your local post office.
